## Astro Turf Mats

Astro Turf Mats are the most aggressive mats at scraping dirt, snow and debris from shoes due to their crush-resistant surface construction.

- Commercial-grade polyethylene construction helps these turf mats effectively clean shoes for years in even the harshest environments.
- Astro Turf mats can trap and hold up to 3 lbs of dirt per square foot and still remain effective!
- Crush-, mildew- and fade-resistant turf design for indoor and exposed outdoor matting use.
- These turf mats have a skid-resistant backing and heavy-duty beveled edging.
- Ideal for use in high-traffic / heavy-duty locations.
- To clean astro turf mats simply shake out or hose down.
