

Bamboo Chair Mats – 8/16” Thick

Our bamboo desk chair mats combine beauty and durability. They are made from long-lasting yet stylish bamboo using eco-friendly methods.

- Bamboo mats can be used on all carpets and hard floors, as the natural latex backing keeps the mats in place.
- Bamboo is dried in a kiln oven to the perfect moisture content to stop cracking and warping.
- Comes in 8/16" (12 mm) thickness and folds up in three pieces for easy storage.
- UV-cured coating protects mat against fading from the sun.
- Desk chairs should have soft polyurethane or soft rubber wheels to prevent scratches and skid marks.
- Has beveled edges so desk chair can easily slide off and slide on mat.

NOTE: A "lip" is the tongue that extends from the mat which covers the floor area under the desk. The dimensions of mats with a lip are listed below in the pricing chart. The dimensions are the total size of the mats including the lip.
