

## Complete Comfort Launderable Anti-Fatigue Mats

Complete Comfort Anti-Fatigue Mats are the most recent innovation in anti-fatigue matting. Cleaning these mats is easy: they can be laundered in a commercial washer and dryer or even in a commercial restaurant dishwasher.

- Nitricell's closed-cell, foam/rubber design ensures durability and long-lasting comfort. It also prevents absorption of liquids, oils and greases.
- Available in a comfortable 5/8" thickness.
- This mat is also available with drainage holes that permit dirt, debris and moisture to fall beneath the mat's top surface. This increases traction, which helps keep the surface safe.
- Produced with an anti-bacterial compound to eliminate odors and micro-organisms.
- Beveled borders prevent trips and falls and keeps the mat rated ADA-Compliant.
- Nitrile rubber material helps prevent this floor mat from curling up or breaking down, even with constant washing.
- Made with 20% recycled content.
