

Drainage Rubber Entrance Mats

Drainage Rubber Mats are heavy-duty, durable rubber mats, designed with a low 1/4" profile for low door clearance and beveled edge to facilitate cart traffic in high traffic indoor / outdoor areas and meet ADA requirements.

The raised surface design works hard to scrape shoes clean and provide for traction even when wet. Dirt and debris are held within the trenches of these rubber floor mats while moisture flows out through the drainage holes.

- Constructed of 100% skid-resistant nitrile rubber making these floor mats oil, petroleum and grease proof.
- This rubber floor mat is easy to clean, simply sweep, hose off and hang dry or wash them in a commercial laundry machine.
- Provides excellent anti-fatigue properties for added employee comfort and improved ergonomics, improving employee morale and productivity.
- These drainage mats are anti-microbial treated to guard against degradation from micro-organisms and minimizes the mats from being a source of odors.
- Drainage Rubber Mats are idea for: entrances, kitchens/food processing areas, work stations, walk-in refrigerators, suanas and locker rooms.

Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
2' x 3'	\$40.78	\$39.56	\$37.96	\$35.88
3' x 5'	\$79.50	\$77.92	\$75.88	\$74.76
3' x 9'	\$161.56	\$159.52	\$157.72	\$155.24
4' x 6'	\$132.40	\$129.96	\$128.24	\$126.80
