

## Duragrid Deck Matting

Duragrid tiles snap together easily and are ideal for custom configurations. Duragrid floor tiles help to keep your walkways safe and dry which can prevent slip & fall accidents. These drainage mats are comfortable to walk on, dry quickly all while providing a slip-resistant surface.

- 12" x 12" interlocking drain tiles: 1/2" thick
- Helps keeps your walking surface safe and dry
- Comfortable to walk on barefoot
- Easily snap together custom configurations right on site
- 12" x 1.75" reducers (beveled edges) are available
- Used for locker room matting, pool matting, sauna matting or in any wet area where traction is a priority.

**Outdoor tiles are treated with a UV-resistant compound making them fade-resistant and greatly reducing any expansion/contraction due to temperature changes.**

Item No: PDDM
