

FIT Ergonomic Interlocking Solid Floor Tiles

The most versatile 12" x 12" interlocking ergonomic flooring system in the market. The patented LockSafe connectors easily snap together and configure to fit your exact space.

FIT tiles stay together well making them ideal as a liner for mobile tool storage bins that require frequent removal for cleaning purposes.

- Exceptional comfort for dry applications.
- Customize in 3" increments to fit any floor size or shape.
- Positive Interlocking System prevents separation.
- Easily replace single pieces or sections as needed to reduce costs.
- 100% Silicone Free PVC tiles.

Item No: FFITS
