

## Flocked Cocoa Logo Mats

Flocked Cocoa Logo Mats feature stiff fibers that work hard to brush dirt, debris and moisture off feet. These logo mats use a distinct flocking process to lay a crisp, clear logo design onto the mat surface.

- These logo mats are resilient and resist wear
- Deep pile construction traps and holds dirt particles below the surface
- One-time \$95 artwork setup will be charged per logo mat order

\*\* An artist's proof of the logo floor mat will be emailed to you for approval before manufacturing.
