Glow Hog Fluorescent Safety Mats

Glow Hog Mats are scraper rubber mats with fluorescent directional arrows to help guide people to exit doors, even in dark areas or during a power failure with low visibility.

- Glow Hog Safety Mats are made of skid-resistant, Nitrile rubber and are designed with a low 1/4" profile for low door clearance. The glow-in-the-dark arrows are bonded directly to the rubber surface.
- Floor mat's raised oval surface pattern scrapes dirt and even provides traction when wet. Debris is held between the nubs, helping to keep the mat functioning properly.
- Glow Hog Mats are easy to clean: simply sweep off or hose and hang dry.

PLEASE NOTE: Directional arrows point down the longest dimension of the 2' x 3' and 3' x 5' mats. These arrows point across the 4' dimension of the 4' x 6' mat.
