

Recycled Rubber Scraper Mats

Our recycled rubber mats are commercial-grade, heavy-duty rubber mats that are designed for inside / outside use in any high-traffic environment. These 100% recycled mats offer durability and longevity thanks to their heavy-gauge.

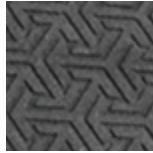

- The surface of these recycled rubber mats has a raised recycled-symbol pattern that aggressively scrape shoes and provides increased traction even when wet regardless of the traffic direction.
- Debris and moisture stays in the trenches of this rubber mat, which helps keep it working all day long.
- These mats should not be used in heavy grease or heavy oil environments.
- This rubber floor mat is easy to clean, simply sweep or hose off and dry.

Item No: ERSECO

Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
