## Rejuvenator Anti-Fatigue Mats: Stand Alone

Rejuvenator is 100% urethane, an incredibly premium sponge compound that's more resilient than any other anti-fatigue mat. Rejuvenator is named for its ability to keep standing workers energized and comfortable.

- Its urethane compound is totally crush resistant and offers exceptional chemical resistance, more than most rubbers and vinyls.
- Virtually indestructible, Rejuvenator consists of a closed-cell urethane sponge totally encapsulated by a dense, 1/8" thick, urethane skin. This exterior skin provides outstanding abrasion resistance in high use areas and gives the mat an overall thickness of 5/8".
- The underside of the mat is textured urethane that grips hard, smooth floors, and prevents mat movement.

Item No: FRJ

**Standard Sizes (Approximate)**

<b>Size</b>	<b>Qty. 1</b>	<b>Qty. 2-10</b>	<b>Qty. 11-25</b>	<b>Qty. 26+</b>
