

Striped Carpet Floor Mat Tiles

Striped Carpet Floor Mat Tiles are 2' x 2' carpet tiles design for use in heavy traffic entrances to help remove dirt and moisture. These durable carpet tiles have a dual-density construction for maximum scraping and wiping ability to remove much more debris and water compared to traditional carpet tiles.

- These carpet floor mat tiles offer a timeless striped design which both looks great and hides dirt and walking patterns.
- Available in 5/16" thickness and can be used in recesses between 1/4" and 3/8" deep.
- Each tile is 24" x 24" and can be installed linearly or in a parquet pattern.
- Ideal for use in heavily-trafficked, indoor and covered outdoor areas.
- Each case of 18 tiles contains 72 SqFt.
