Super Berber Entrance Mats

Super Berber Mats are high-quality, heavy-duty floor mats, well suited for highly-trafficked areas. Made from 100% needle-punched polypropylene fibers, these floor mats have a dense, heavy face weight, and are made for commercial use. The high-low hobnail surface pattern aggressively cleans shoes. Super Berber Mats are soft to walk on, yet the solution dyed fiber is coarse enough to effectively clean moisture and dirt from shoes and hide the appearance of walking patterns. UV-stabilizers make these recessed entrance mats resistant to fading and allow for fast drying.

- Mats feature a heavy-duty rubber backing for extended life.
- Able to be surfaced mounted or fill recesses between 3/8" and 7/16".
- Super Berber mats can be manufactured up to 13' 4" wide and virtually any length.
- ADA Compliant.
