

Tire Link Door Mats

Tire Link Mats are made with recycled rubber that is connected with galvanized steel rods. These effective mats work well both outside and inside. They do not rot or fade, even in poor weather conditions.

- The rubber links are reinforced with 12-gauge galvanized steel rods.
- Link Mats have a cross-weave texture that increases safety as dirt, debris and moisture fall through the creases.
- Merely shake, vacuum or hose off to clean.
- Available in 5/8" thickness.
