Waterhog Logo Mats

Waterhog Logo Mats are the industry's most popular indoor/outdoor logo mats. These mats are created using a distinct inlay process which produces razor sharp logo designs - your logo or message is specially cut out of the mat and alternate color mat pieces are placed, or inlaid in. The entire mat is then bonded to a rubber backing to create a sharp, beautiful, and long-lasting logo mat for any environment.

- Waterhog Logo Mats have a water dam border that holds up to 1.5 gallons of water per square yard, water and dirt stay on the mat and off the floors
- Raised square or “waffle” pattern on the waterhog mat effectively removes dirt and moisture from shoes
- Surface made from an anti-static polypropylene fabric that dries quickly and will not fade or rot
- No artwork or setup charges

** An artist's proof of the Waterhog mat will be emailed to you for approval before manufacturing.
