

Wood Wet Floor Signs

Wood Wet Floor Signs are an elegant way to alert customers to a slippery, wet floor while maintaining the ambiance of your space. These wooden caution signs are both beautiful and durable, made to withstand heavy usage in commercial environments.

- Available with a sturdy handle to facilitate transporting and setting up these wood signs.
- A gold chain on each side is strong enough to hold the wooden legs in place while still fitting in perfectly in hotels, office buildings and retail locations.
- Wood Wet Floor Signs boast a beautifully finished wood construction and glazed metal sign for years of use.
- Non-skid tabs on the bottom of each wet floor stand help prevent these signs from sliding on a wet floor and help protect the wood finish.
- Dimensions: 14" Wide x 24" High x 12" Deep (when fully opened).
- From \$129 per stand which includes the carrying handle.
