

## 3M Nomad Modular Matting 9200

3M Nomad Modular Matting 9200 is a heavy-duty entrance floor mat tile that scrapes dirt and wipes water from shoes, allowing the debris to fall below the mat to keep the walking surface cleaner and more effective.

- The vinyl base of these Nomad Modular Tiles aggressively scrape dirt, snow and salts from shoes while the dual density carpet surface wipes away finer particles, including dust, as well as moisture.
- Easily snap 3M Nomad tiles together for quick installations and replacements.
- 3M Nomad Modular Matting 9200 is high heel proof and has a slip-resistant surface to prevent trips and falls.
- 3M 9200 is perfect for use in recesses and wall-to-wall vestibule applications.
- Each nomad tile measures 7.87" x 7.87"
- 10 tiles (4.3 sq ft) per case.
