

Designer Chair Mats – All Surfaces

Our modern looking Designer Desk Mats add a fashion touch to any room. These desk chair mats do not chip or curl. Grippers underneath the mat help hold it in place on virtually any carpeted surface. Designer mats are also available with a smooth backside for placement on hard surfaces.

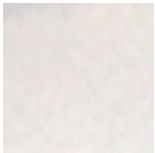

- LIFETIME WARRANTY on all office mats against cracks due to normal wear and tear. See additional information on the link below.
- Designer Chair mats are available 1/7" thick (0.145" or 145 mil).
- A "Lip" is defined as a tongue extending from one edge of the mat. The lip protects the area below the desk where the chair wheels may roll if pushed in all the way.
- Chair Mats with a lip are shown using the overall size of the mat including the lip; thus, the rectangular portion of the mat is smaller than the size listed below.
