

## Wet Umbrella Bag Stand Dispenser

### Single Wrapper

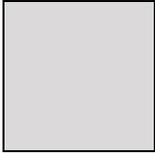

Wet Umbrella Bag Stand Dispensers offer a convenient way for customers and employees to quickly bag their wet umbrellas in an effort to prevent floors from becoming slippery, unsightly and, ultimately unsafe.

- These single wrapper umbrella bag stand dispensers do not require any electricity or have other, moving parts, yet can easily bag both large and small umbrellas in seconds.
- Simply placing the umbrella in the oversized opening on top and down into the body of the dispenser. Then pull out the umbrella; it will be wrapped in a bag.
- Our advanced SmartWrap Technology, ensures that wet umbrellas get wrapped in a bag without worrying about torn bags or jammed dispenser heads.
- Comes in satin stainless steel and satin gold finishes.
- Dispenser and wet umbrella bags sold separately.
