

Bristle Brush Entrance Mats

A clean interior starts at the front door with the ultimate Outdoor Bristle Brush Entrance Mat. This outdoor brush mat features aggressive scraping bristles to clean mud, dirt and snow from shoes and boots to help keep floors clean.

This 1" thick outdoor bristle door mat features durable bristles that clean, remove and trap up to 8 lbs of dirt.

A 2" long sloping ramp provides a safe transition on and off the mat while a 1" threshold backs to the door on this sturdy, weather resistant mat.

Drop-through rail spacing hides collected dirt from view.

Bristle entrance mats roll up for easy maintenance.

These bristle brush mats can be shaken out, swept clean and even washed with a high pressure hose.

Bristle door mats are long lasting and will not degrade with exposure to the elements.

These heavy-duty outdoor mats consist of a commercial-grade acrylic base, recycled vinyl rails and UV-stable nylon bristle inserts.
