

Carpet Ridge Recessed Mats

Carpet Ridge Recessed Mats are a perfect alternative to traditional recessed aluminum mats where the recess may not be rectangular, especially around curves and under revolving doors.

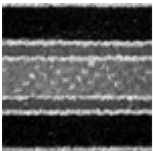

- Carpet Ridge Mats combine polypropylene fibers that both scrape dirt and heavy-duty nylon fibers that absorb moisture.
- The multi-tone color patterns integrate well with a variety of design schemes.
- Available 9/16" thick
- Easy, cost-effective cleaning and maintenance. Vacuuming or taking out and hosing off/hanging dry will remove virtually all day-to-day dirt and debris. These mats can also be shampoo and steam extracted for a deeper clean.
- This patented hybrid floor mat installs like a carpet yet performs like a recessed aluminum grille mat.
- Carpet Ridge Mats can be cut without fraying.
