

## CleanShield Disposable Urinal Mats

CleanShield Urinal Mats are disposable bathroom mats that help keep bathroom floors safe and dry while preventing foul odors and eliminating bacterial growth.

CleanShield bathroom mats have a small timestrip embedded in the corner of the urinal mat and displays the amount of time CleanShield floor mat has been down (and, therefore when it's time to replace it).

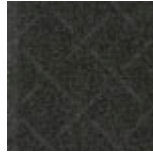

- Although the CleanShield Urinal Mats are disposable, they still only amount to pennies a day in cost while eliminating the material and labor associated with cleaning launderable style urinal mats.
- A skid-resistant SBR rubber backing keeps these ADA compliant bathroom mats from scooting on the floor.
- The recycled PET surface fabric on these floor mats is treated with an anti-microbial agent that absorbs and break downs the urine, keeping the surface of the mat drier.
- Dimensions: 17.25" x 20.5"
