

## Clear Vinyl Runner Mats

The Clear Vinyl Runner Mat is ideal for protecting carpeted floors while still allowing their color, texture and beauty to show through.

- Carpet Grippers underneath hold onto the carpet, which helps prevent the runner from shifting on the carpet.
- The Premium Floor Mat Runner is a softer vinyl best suited for moderate traffic areas which are routinely maintained and where no heavy objects are rolled across and there is solid flooring (ie, no gaps or recesses) underneath.
- The Rigid Floor Mat Runner is ideal for thicker carpets (especially with padding) or where carts, dollies, wheelchairs and other items with rollers are wheeled across the floor.
- 100% vinyl floor mats, 1/8" thick up to 60' long
- Commons locations for the Clear Vinyl Runner Mat include carpeted entrances, interior hallways and frequently traveled pathways.
