

Coir Mats

Coir Mats are made from coconut husk fibers and imbedded in liquid vinyl, which helps these mats stay stiff making them great "scrub brushes" for shoes.

- These floor mats are resilient and greatly resist wear.
- The deep pile construction traps and holds dirt particles below the surface.
- Coir Mats can be used as permanent matting in high-traffic areas.
- Natural color available in 1/2", 5/8", 3/4" & 1" thicknesses. All other colors available only in the 3/4" thickness.
- Ideal for moderate to heavy-traffic, indoor / outdoor areas.
