

Comfort Deck Ergonomic Mats

Comfort Deck Ergonomic Mats are tiles made for areas needing custom/non-rectangular comfort flooring.

- Tile openings allow water and small debris to drain through mat's top surface.
- LockSafe interlocking system strongly holds tiles together (though tiles can also be heat sealed together).
- Simply disconnect a tile and replace with new one if a portion of this matting system becomes damaged.
- Ideal for wet, non-greasy areas with small debris.
- Tiles are 12" x 12" x 7/8" Thick.
- 12" beveled safety edges and corners available in safety yellow.
- Environmental Green Rating: 50% Recycled Content.
