

## Custom Shape Logo Floor Mats

Custom Shape Floor Mats are non-rectangular logo mats available in an unlimited array of shapes and sizes. These custom cut floor mats feature a commercial-grade carpeted surface layer and heavy-duty rubber backing and borders for use inside and out.

- Logos are dyed into the carpeted surface of these custom cut floor mats, which makes them fade and wear resistant, increasing durability while helping to remove dirt and water from shoes.
- Manufactured with extended-life dyes, the logos on these custom shape mats can capture intricate detail and last for many years, even in high-traffic locations.
- The premium nitrile rubber backing allows the mat to lay flat and helps keep the mats in place whether on a carpeted or hard floor surface.
- With custom shape floor mats, there are no limits on the number of colors nor are there any artwork fees or setup charges.

**\*\* PLEASE NOTE:** An artist's proof of the logo floor mat will be emailed to you for approval before production.
