

## Custom Chair Mats for Carpet

Custom Chair Mats for carpeted floors are made of the same heavy-duty crystal color desk chair mat material as our traditional chair mats and therefore won't chip or curl. Oblong anchors on the underside of the chair mat help hold these custom mats in place on virtually any carpeted surface including cut-pile and loop carpets.

- LIFETIME WARRANTY on premium and supreme thicknesses custom chair mats against cracks due to normal wear & tear.

### To Order:

1. Please select the Thickness and Overall Size needed - your custom mat will be cut down & finished accordingly.
2. You may upload a drawing of your mat for size and shape confirmation or select from the "Common Shapes" link below.
3. Include all of the exact dimensions, shape and any other notes in the instructions box.

**A sign-off drawing will be emailed to you for approval before production begins.**

- No extra cost for custom shapes, rounded corners or non-rectangular designs.
- Chair mats available in Standard, Premium and Supreme thicknesses.

Item No: CMCCSTM
