Dante Entrance Mats

Dante Entrance Mats are made from dense, tufted, cut-pile Decalon olefin fibers to produce a plush floor mat. These entrance mats are popular due to their excellent water retention and quick-drying capabilities. Use these floor mats for both door mats and longer runner matting.

- These heavy-duty entrance floor mats boast 24oz per square yard of tufted Decalon olefin (which is far superior to look-alikes and provides much greater moisture retention) and a heavy-duty vinyl backing to help prevent the mat from sliding on the floor.
- This floor mat is stain, fade and mildew resistant.
- Dante mats are the ideal entrance mats for use in moderate-traffic, indoor/ covered outdoor areas.
- Recommended for hard floors. For use on carpeting, we recommend the Deluxe Carpet Entrance Mats with the gripper backing option.
