

## Deluxe Cross-Link Anti-Fatigue Mats

Deluxe Cross-Link is a dense, vinyl sponge anti-fatigue mat that offers a textured surface and classic look. It provides a comforting base to lessen fatigue.

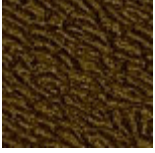

This proprietary cross-link construction gives these anti-fatigue mats a more resilient sponge property with increased comfort compared to similar, uniform sponge anti-fatigue mats and lower-grade competitor knock-offs.

- Available in brown in 3/8" thickness.
- Applicable in all dry work areas.
- Beveled edges on all sides for slip-resistance and ADA-compliance.
- This mat is available in stock sizes or rolls that are easily cut to size.
