

Designer Polyurethane Salon Mats

Designer Polyurethane Salon Mats offer all the great benefits and comfort of our traditional polyurethane sponge salon mats but with a fresh, eye-catching surface design. These designer salon mats increase comfort and energy all day long, which leads to less fatigue and stress on the body, especially when standing for long periods of time.

- These attractive salon mats increasing blood flow in the back, knees, legs and feet to greatly reduce stress and pain from constantly standing on a hard floor.
- Designer salon mats are 3/4" thick with safety beveled edges to prevent tripping.
- The polyurethane foam used in these salon mats is manufactured with a superior balance of compression and resistance to absorb and disperse shock while providing the superior stability support for many years.
