

Frontier Vinyl Loop Mats

Frontier Vinyl Loop Mats work well in wet environments, helping to clean shoes and allowing moisture and debris to fall through, keeping the walking surface safe, helping to prevent slips and falls.

- Frontier mats are ideal as both scraper mats for use by entrances and also as drainage mats for use around pools, hot tubs, showers and in locker rooms.
- These frontier mats are manufactured from a durable, extruded vinyl which is bonded in a random loop (spaghetti-like) design.
- These vinyl loop mats come with either a vinyl backing and border (typically used by entrance doors for increased weight and durability) and without any backing and border (for use in wet areas needing extra drainage).
- Ideal for moderate traffic, indoor and outdoor locations.
- To clean these vinyl loop mats, just shake out or hose down.
