

Garage Floor Mat Seaming Tape

Garage Floor Seaming Tape is a heavy-duty acrylic adhesive/glass cloth tape that is used to multiple pieces of Garage Floor Roll Mats.

- Seaming tape is waterproof / grease proof.
- Able to withstand extreme temperatures.
- Heavy-duty bond.
- Tape can be cut through to separate the mats (without damage to mats), and new tape reapplied if the mats are removed / configured.
- Each roll is 4" wide x 90 feet (usually enough for 3 two-car garages).
- Adhesive is on one side only, allowing the floor to float.
