

Garage Floor Matting – Edge Trim

Garage Floor Matting Beveled Edge Trim provides a seamless transition between the garage floor mat and the surrounding floor, making it easy to roll on and off of the garage mat.

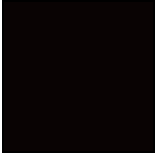

- This garage edge trim is available 25' long and can be easily cut down to any length desired.
- A slotted design ensures that the edge trim will firmly hold to the mat, even in frequently trafficked areas and heavier use environments.
- Approximately 3.25" Deep and 0.25" Thick to help contain dirt and debris.
- Enhance your garage matting with clean, finished look in 3 colors - black, grey and clear.
- The heavy-duty vinyl composition is quite durable, holding up to extreme conditions yet is easily trimmed to fit any length of garage matting.
