

Gym Floor Covering Protection

Gym Floor Covering Protection is a PVC foam cushion that helps protect floors from scratches and scuff marks from chairs, tables and equipment.

Gym Floor Protection easily rolls out for use during special events and can be used in gymnasiums, auditoriums, convention centers and virtually any finished wood floor. Even easier to install with our caddy (sold separately).

- Available in 1/8" thick PVC foam construction.
- Cost-effective way to protect floors from dirt and stains and help improve slip resistance.
- Fire retardant: meets the DOC FF-1-70 standard. Flame spread rating of 75.
- Newly refinished floors must be completely cured before using.
