

## Happy Feet Anti-Fatigue Mats: Stand Alone

Happy Feet Stand-Alone Anti-Fatigue Mats offer a penetration-free, solid Nitrile rubber layer on the outside with a dense rubber cushion inside. This closed-cell combination provides for a unique anti-fatigue mat with a variety of surface textures and border colors.

- Happy Feet Mats come in 2 heavy-duty surface designs: the traditional textured surface and the gripper surface for ultimate traction.
- These anti-fatigue mats are ideal for both wet and dry environments as they are grease-proof, static-dissipative and safe for welding areas.
- Grippers underneath the mat reduce floor mat movement on any surface.
- Available 1/2" thick.
- Available in solid black and four OSHA-approved, striped-border colors including: red, orange, yellow and green.
- Environmental Green Rating: 20% Recycled Content.

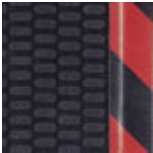

Item No: FHFAM.SA

| Standard Sizes (Approximate) |          |           |            |          |
