

## Hog Heaven Anti-Fatigue Modular Tiles

Hog Heaven Anti-Fatigue Modular Tiles are made with a diamond-patterned, nitrile rubber surface and PVC cushion base for enhanced durability, comfort and slip resistance.

- The PVC cushion backing provides long-lasting comfort that does not deteriorate, even with heavy usage.
- The rubber surface and beveled edging of these interlocking anti-fatigue tiles remains flexible for the life of the product and does not crack or curl.
- Available 3/4" thick.
- Available with black and OSHA-approved, stripped yellow beveled edges to prevent tripping (see Tile & Edges image).
- Environmental Green Rating: 20% Recycled Content

Item No: FHAFMT
