

Horse Mats

Horse Stall Mats are rubber mats designed specifically for horse stables, stalls, training facilities and trailers. This rubber matting is designed to hold excessive weight to prevent wear and tear.

Rubber grip and grooved pattern on mat helps prevent slips and falls for people and horses. Note that the custom roll mats and interlocking tiles have a smoother surface. Button surface ONLY available in certain sizes and thicknesses; please call for more information. Borders available for certain horse mats.

- Horse mats are easy to clean to ensure a longer life-span. Liquids and solids can be easily wiped or brushed off.
