

Ice Machine Mats

Ice Machine Mats are heavy-duty, durable ice maker rubber mats, designed to hold water and melted ice and keep surrounding floors safe and dry.

- Ice Machine Mat's raised oval surface pattern keeps water below the surface and provides traction even when wet.
- Water is held within the trenches of these rubber ice maker mats, helping to keep floors dry and safe for guests.
- Ice Maker Mats are constructed of 100% skid-resistant nitrile rubber and are not degraded by grease or oil.
- These durable rubber mats are perfect for high-traffic locations and have a low profile for door clearance.
- Easily clean these rubber mats: just vacuum or hose off.
- Available with Silicon Carbide Grit for added traction.
- Ice Machine Mats are constructed of 80% recycled rubber.
