

## Interlocking Chair Mats

Smooth-top Interlocking Chair Mat Tiles allow you to create a custom sized, durable floor matting surface that protects the carpet underneath and improves maneuverability. These chair mat tiles easily connect together and are perfect for both standard and fully custom floor configurations. These tiles are smooth to allow freedom of movement for any chair casters - you'll glide effortlessly across the floor!

Chair Mat Tiles can easily be assembled without tools to form a chairmat in virtually any shape, size and configuration and is ideal for non-standard desks & oversized work areas.

- 1/2" Thick - 12" x 12" interlocking floor tiles.
- 12"L x 3"D reducers (ie, beveled edges) are also available for safe and easy transition on and off the matting.
- Chair Mat Tiles offer a smooth yet slightly textured, surface for enhanced slip-resistance.
- 4 attachment point design - won't wobble, shake or separate under heavy loads.
