

## NewLife Eco-Pro Anti-Fatigue Mats

NewLife Eco-Pro Anti-Fatigue Mats provide unparalleled comfort and support for the standing worker. Designed by GelPro, these mats are the ultimate solution to fatigue and discomfort workers may experience in any commercial area.

Made from a proprietary Cellulon Polyurethane Technology, these anti-fatigue mats are designed to provide maximum durability in high use environments, while maintaining superior rebound & lasting comfort that will not degrade. Mats 90" and longer are seamed together yet have the same durability and warranty.

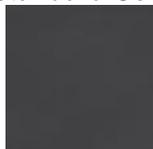

NewLife Eco-Pro floor mats feature a 3/4" thick, solid one-piece construction ideal for the rigors of retail environments, industrial areas and other commercial applications. These eco-friendly anti-fatigue mats are also manufactured with Bio-Foam, a plant-based renewable resource.

Made in the USA, the NewLife Eco-Pro Anti-Fatigue Mat is certified by the National Floor Safety Institute for its high traction bottom surface. The top surface features a light brushed texture which provides for added foot traction and a unique design element. Comes with a 5-Year Warranty.

Item No: KGPNLEP
