

## Oil Absorbent Action Mats

Oil Absorbent Action Mats are designed to soak up contaminants such as hydraulic fluids, coolants, water, condensation, oils and solvents to help prevent floors from becoming slippery and dangerous.

- Action Mats are made with a cotton yarn surface in a black & white tweed color, which helps hide dirt, debris and stains.
- These oil absorbent mats are manufactured with a durable cotton duck weave for added durability and cleanability.
- Oil Absorbent Mats have a 100% Nitrile rubber backing and borders for superior grease and oil resistance and to help make these mats skid-resistant on both carpeted floors as well as and hard floor surfaces.
- Easy-Dry perforations make the mats more absorbent and easier to keep clean and maintain.
- To clean, simply hose down, power wash. These mats are also fully commercially launderable.
