

Oil Magnet Pads

Oil Magnet Pads offer superior absorbency making them a great choice for any wet, oily or greasy application needing absorption in contained area.

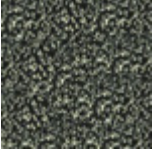

- Oil Magnet Pads to absorb contaminants such as hydraulic fluids, coolants, water, condensation, oils and solvents to help keep floors safe and dry.
- A cotton/synthetic blend yarn surface in a black / white tweed color helps hide soils and stains.
- Made with a durable cotton duck backing for added durability and cleanability and serged borders to prevent fraying, Oil Magnet Pads are designed for industrial use.
- Easy-Dry perforations make the pads more absorbent and easier to maintain.
- To clean, simply hose down, power wash. These mats can also be fully commercially laundered.
