

Opera Entrance Mats

Opera Entrance Mats are unique in that these door mats contain a 3-part scraping and wiping system to expertly brush off dirt and debris as well as wipe off excessive moisture from shoes and boots. These dual surface Opera Mats combine tough, scraping fibers with a plush, absorbent carpet for superb cleaning.

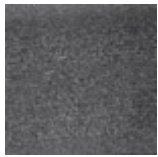

The first third of these Opera mats (Zone 1) are composed entirely of the scraping fibers, the middle portion (Zone 2) is made of alternating perpendicular stripes, which run the width of the mat while the last third of the mat (Zone 3) is made solely of thick, absorbent carpet to wick off the last of the moisture.

- Opera floor mats are 3/8" thick with color-coordinating vinyl edges and a sturdy vinyl backing.
- The two-tone surface fibers of all Opera entrance mats are designed to function with just about any decor while providing commercial-grade cleaning and durability.
- A heavyweight, skid-resistant matching vinyl backing reduces the Opera mat's movement, especially on slippery hard floor surfaces.
- To clean these floor mats, simply shake out, vacuum or hose down and air dry as needed.
