## Oriental Entrance Mats

Oriental Entrance Mats combine the traditional design of an upscale oriental rug with the functionality and durability of a high-performance entrance mat.

Use these oriental mats just like any traditional entrance floor mat in: upscale entrances, reception areas, hotels, offices, apartment building lobbies, and any other indoor locations needing floor mat protection.

These attractive oriental mats are sure to enhance the overall decor in any commercial or residential location.

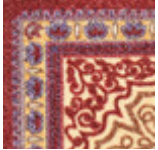

- 24oz of plush, commercial-grade, twisted nylon fiber per square yard, which is fade and mildew resistant.
- Heavy-duty vinyl backing and borders to help keep these door mats in place, especially on slippery, hard floor surfaces, such as tile, marble, polished concrete, etc.
- To clean these oriental mats, simply shake out, vacuum or hose down and air dry as needed.
