

Ortho Stand Anti-Fatigue Mats

Ortho Stand Anti-Fatigue Mats are ergonomically designed to enhance worker comfort thanks to a hollow-domed surface that encourages frequent, yet subtle changes in posture to increase blood flow.

- Ortho Stand mats are a great choice for lighter duty, single-area work mats.
- Available 1/2" thick.
- Ortho Stands Mats are constructed from natural rubber, relieving standing workers by boosting circulation, which results in greater comfort and less fatigue during the day.
- Ortho Stand is popular in dry areas such as check-out stands, manifest systems, mailing areas & punch presses.

Item No: FOSAFDM
