

Pet Place Mats

Our stylish Pet Place Mats are effective at trapping food and water from your pet's water and food bowls to help keep the floor clean, dry and free of debris.

- Pet Place Mat's high/low surface pattern holds the food and water to help ensure your kitchen floor will remain looking great and slip-free.
- The surface of these pet mats is an anti-static polypropylene fabric that dries quickly and won't fade or rot and makes these mats great even for households with multiple pets.
- Pet bowl mats features a water dam border that can hold up to 1.5 gallons/square yard.
- Clean with vacuum, wash or hose off and air dry.
- Pet mats have 20% recycled content.
