PhotoMat Logo Floor Mats

PhotoMats are printed using a four-color dye sublimation process and then heat-transferred onto the mat, creating photo quality images with amazing detail. Ideal for light to medium traffic areas, mats are perfect for point of purchase programs, displays, events, trade shows and short promotional use.

- Fading, shading and fine lines are all possible.
- These logo mats feature Nitrile rubber backing and borders to help the mats stay in place and prevent curling.
- Use as many colors as you want.
- No artwork or setup charges.

** Please use Logo Instructions box to indicate specific instructions for logo placement and colors.

** PLEASE NOTE: An artist's proof of the logo floor mat will be emailed to you for approval before production.
