

## Pro Shield Floor Protection

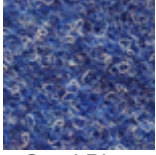

Pro Shield Floor Protection offers durable, easy-to-install, temporary flooring for use in gymnasiums, churches, convention halls and basketball courts. These oversized tiles don't require any tools, adhesive and won't wrinkle for a continuously safe walking surface.

- Each 1/4" thick tile measures 39" x 78" and has straight edges for easy installation.
- No glue, tape or tools are needed to install Pro Shield Floor Protection - simply lay down the next to one another and you're done!
- The non-staining backing is slip-resistant and keeps these tiles firmly in place.
- Pro Shield Floor Protection tiles always lay flat to prevent tripping hazards and ensures that chairs, tables and other equipment are stable.
- A rolling cart is also available to easily transport and store Pro Shield tiles.
