

## Recycled Rubber Tire Tiles

Recycled Rubber Tire Tiles are made of long-lasting, selected 3/8" aircraft and truck tires, with sidewall cords and buffed to a chenille finish. These tiles are ideal for heavy-wear areas including airports, commercial buildings, department stores as well as areas where cleats are worn and can be used both inside and outdoors. Tire Tiles can be applied to recessed frames or surface mounted.

- 25 tiles per box. Each tile measures 12" x 12".
- 12 inch by 25 foot rolls are available.
