

Rejuvenator Connect Anti-Fatigue Mats

Rejuvenator Connect interlocking mats are anti-fatigue mats made of urethane, which is a highly-resilient cushioning compound.

- Urethane construction renders these mats resistant to crushing and deterioration.
- Ideal for most dry work areas but still resistant to many chemicals and fluids.
- Available in 5/8" thickness.
- Comes with optional urethane beveled borders to prevent slips and falls.
- Puzzle piece design allows these comfort mats to be customized for any location.
