Safety Zone Interlock Anti-Fatigue Mats

Safety Zone Interlock Mats are puzzle piece anti-fatigue mats for work areas with moderate foot traffic. They reduce worker fatigue and can be customized to just about any length needed.

- Premier anti-fatigue mat composed of interlocking sections that can be linked together to form a continuous runner.
- Deck-plate top surface provides additional traction to prevent slips and falls, even when wet.
- Optional OSHA yellow beveled borders to promote safety.
- 100% Rubber Construction; Available in 1/2" thickness.
- Ideal in dry areas or locations with some water spray.
